

Bowlfest 2025

Sponsorship Opportunities

Introduction

We created Bowlfest because we wanted our most engaged followers and supporters to have the opportunity to connect in person with us and each other while also taking the opportunity to raise funds for the ministry.

Live Free and XXXchurch have been serving men and women since 2019. Over that time we've reached over 1 million people through our various websites and resources. While our messaging has evolved over the years, our focus and vision remain the same:

To help people live a purposeful and fully integrated life without the burden of sexual shame and regret.

Because of our supporters and corporate sponsors, we have been able to accomplish so much, and we expect to do even more in 2025 and beyond.

Inside this guide, you'll find details on all the corporate sponsorship opportunities available. As a corporate sponsor, you'll not only support this ministry and its life-changing work but also gain valuable exposure for your company and brand to thousands of our supporters through web and email.

We hope you can join us for what is sure to be an amazing event.
